Thomas Vallee: no references in my 47 CD indexes. Jim and I have only CE 2887, p. 2 (CD 85, p. 461) and CD 47, pp. 8-9, where Vallee is referred to but not named. (Could you send CD 47, p. 7?) CD 1138 does not relate to Vallee. I may have confused you on this earlier. Jim wrote for two independent items, CD 1138 and anything on Vallee. The reply was "documents containing the name of Thomas Vallee are withheld from research at the request of the Federal Bureau of Investigation." (That sentence preceded by "CD 1138 and.")
